Try these secret recipes from Frappuccino! SEND US A DRINK! Do you have a favorite drink we didn't post? Send us an email to the StarbucksSecretMenu.net we will add it to the site. Attach a picture if you have one! LATEST ITEMS Starbucks' secret menu is one of the most popular hidden menus in 2017. Next on that list would probably be the secret Jamba Juice menu which is wildly delicious. Normally, there are dozens and dozens of menu items, but consumers across the web have compiled an extensive list of secret menu items that will leave an explosive flavor in your mouth. From more seasonal-inspired drinks to drinks that mimic your favorite dessert, there are really some genius items on this!e you've ever dreamed of tasting a drink that mimics your favorite Girl Scout cookie or even your favorite Thanksgiving cake, then you might find your dream drink below. The following list will be constantly expanding as long as people continue to drink Starbucks. Check out new items, give feedback on the drinks below that you've tried, or just email us with more ideas for Starbucks' secret menu! Before entering Starbucks' secret menu, you might be surprised (and no doubt happy) to know that there's a way to get free coffee from this chain. In fact, you can take all the free coffee you can drink. You could be a nervous, anxious, caffeinated mess by the end, and you'll probably have diabetes and heart problems to deal with after all that sugar and caffeine. But you must have beaten the system. That matters, right? Just click on the image to read our piece on how to get free coffee from Starbucks. You can order it as strawberry acai refreshments with coconut milk. So delicious! You can ask for blackberries or strawberries (fresh) added in the drink for extra yum! Speaking of your favorite cake, the first drink on this list mimics a delicious Frappuccino apple pie. In this drink you will find apple juice, caramel syrup and cinnamon mixed with ice. If you're wondering how to order this drink or present the recipe to your bartender, be sure to check out the full secret recipe here. Starbucks really knows how to perfectly imitate cakes in their drinks. The next one should perfectly hit the taste buds. In this drink you will find hazelnuts and bananas mixed deliciously in a cream of vanilla beans Frappuccino. Perfect for Thanksgiving (check Starbucks hours first), Boxing Day, or just when you want something sweet and fruity without going too tropical! If you're a fan of consistency in your drinks, this might be the first on your list you want to try! The Starbucks Frappuccino cookies is a simple secret menu item that melts cookies in any of your choice. All on board from platform 9 3/4! Calling all Harry Potter fans: now there's a drink to keep you going even if the book series is over. The famous Butterbeer drink was made by Potterbucks fans all over the web and was made to perfection. Get the broom and go to your local to try this creation, which melts caramel nut and caramel cream for the pleasure of your taste bud. Who doesn't love party cake ice cream? Well, Starbucks has a secret menu item that can be a gift for yourself for your birthday from the frappe. Frappe birthday cake combines vanilla and almond to mimic the taste of cake batter. If you want texture, add cookies in the mix! Christmas is around the corner and you are able to celebrate every day until then with a delicious sugar cane frappe! This drink blends vanilla with a peppermint punch that makes you pump for the holidays! A real boy from the '90s grew up eating Captain Crunch berry cereal every morning. Now, you're able to get it in drink form thanks to the world wide web's secret menu curators. When you create this drink, you will see a mixture of strawberries and creams, caramel, hazelnut, java chips and caramel syrup. It's hard for your taste buds to imagine how they'll be combined, but Starbucks provides a top-notch flavor as close as possible to the real thing. If you want to surprise your boo with something casual that incorporates some romance, try getting them this secret menu item. Chocolate-covered strawberry frappe has no real strawberries unfortunately, but its impeccable blend mimics the taste quite well. If you fancy a cinnamon roll but don't have time to create one before your work shift, try stopping by Starbucks to grab one of these from the secret menu. Cinnamon sweet syrup infused with vanilla bean frappe provides an easy way to get your daily dose of cinnamon roll without having to get up super early in the morning to prepare them. We all love Starbucks' position on cereal-inspired drinks and the next one is no different. Frappuccino cinnamon toast offers a taste you can see with this fantastic blend. With a white moka and some hazelnut and cinnamon cake pumps, you can drink this drink on hand Often compared to Oreos too, this drink will give you a taste of cookies in edible form. There are a couple of ways to order this and many ways to customize your cookie processing, try not to be too overwhelmed by the options! For a drink/dessert combination, be sure to hit Starbucks for this combination of white moka and double chocolate chip! If you want to relive your summer through dreams of cotton candy (or drinks), then you should definitely try this creation of secret menus. With a pinch of raspberry in a vanilla bean frappe, you can start tasting this blast of cotton candy in a beat of oil! If you want to get a taste of your luxurious chocolate, be sure to try this secret menu mix! mixed with the double frappe of chocolate chips, this drink perfectly imitates what it is like to be able to drink delicious chocolate. Taking up old school, this vanilla frappe French allows you to taste this classic flavor with a touch that tastes exactly the real thing. Using a combination of vanilla and caramel, it's amazing how big this flavor is and how simple the recipe is! Another cereal drink that hits the nail on the head: the Fruit Pebbles frappe. With a mixture of strawberries and cream with raspberry, orange and mango, you can have your own cereals in a cup of plastic frappe! Remember when we mentioned Girl Scout cookie-inspired drinks? This green grasshopper drink mimics your favorite Girl Scout cookie by combining mocha and peppermint syrup! Who doesn't love variety when it comes to choosing ice cream? Now you have even more variety being able to combine them into a form of drink. Combining strawberries and cream with mocha and vanilla and a chocolate thread, you can have this perfect combination in minutes. There is no denying that pumpkin is one of the most popular flavors existing at Starbucks. Whether you found out with an Instagram post or decided to give it a try after hearing it through word of mouth, there's another way to drink this drink! Frappe pump cake is a more dessert-style version of pumpkin spice milk. Immerse yourself in this autumn/winter season with this long-awaited and seasonal flavor. We have listed some drinks that use raspberry in dashes, but not a full drink dedicated to its delicious taste. The rich flavor will hit you like a lot of bricks in the best possible way. To make it even better, combine white chocolate mocha and vanilla splashes reminiscent of cheesecake. What a perfect combination! Just like cotton candy frappe, this drink pays homage to summer nights with the best delicacies. While this is nostalgic for those nights camping under the stars, this cinnamon cake, caramel nut, and java frappe chip will make you realize that you can fall in love with items (or edibles for that matter). Are you looking for a drink that you remember a smoothie but has more depth? Then this super cream treatment is for you. Not inspired by anything in particular, this drink blends a rich and dense flavor with a heavy cream. Simple and sugary, this will wake you up on those tired mornings! For children of the 90s: one of your favorite snacks is now available in an edible form of the unofficial secret menu! This sweet combination of cinnamon and honey allows you to indulge once again in the decade that gave birth to you. The combination of chocolate syrup and mint of this drink looks strange, but strangely attractive. With two very different directions from a taste point of view, it was surprisingly a nice shot! While it's green in aesthetics, it won't feel green after tasting this! The basis of this drink is a tazo frappe green tea cream with mint syrup and chocolate and java chips for texture. For the last thin mint frappe, also add some honey. If you don't normally like the texture of Twix but the combination of flavors, then you will love this edible version. Mixing rich chocolate, hazelnut, caramel and mocha. Starbucks successfully replicated the decadent taste of Twix Twix Bar. The appearance of this drink is what makes it zebra moka, however, none has been harmed in the creation of this delicious drink. This triple chocolate masterpiece has delirious secret menu lovers combining white chocolate, regular chocolate and moka in a Frappuccino! LATTES We mentioned a butterbear frappuccino for those Harry Potter lovers, but if you want a hot milk version to wake you up in the morning, try this hot version that offers an espresso explosion to help you get up on your Nimbus in the morning. Everyone knows starbucks pumpkin spice flavor, but do they know about the secret version of chocolate? The chocolate pumpkin looks delicious and now you can combine the two flavors in the delicious milk. The three C's have three crucial components for any delicious drink: caramel, cinnamon, and chocolate. Imagine having all three at once? Well, now you can in the Milk of the Three C's from the secret menu of Starbucks! MACCHIATOS Have you ever had a doodle snicker? If so, you might want to taste this macchiato that was designed around the flavor of the original doodle snicker. With a mixture of soy caramel, vanilla and cinnamon, this drink will give you the energy you need by providing a delicious taste. These two very different tastes have been combined by the powers of lovers of secret internet menus, providing a surprising but delicious taste. This cold version of the mix has a ombre aesthetic and a strange but sweet taste. SPECIAL DRINKS While this drink looks inspired by the James Bond movies, it's simple a regular drip coffee with an extra espresso pump. This won't let you drag after an hour, but the extra shot is enough to keep you awake all day without being too tired. Inspired by the above, this drink offers you two extra shots of espresso on a regular drip coffee. That's the average level, so if you're looking for a drink that just gives you a little more caffeine jump, look no further than the Green Eye, below. If you were partying all weekend and Monday is your first day back to work (or college classes), you might seek help from the Green Eye. No, he's not a superhero who will fill you up during the day so you can sleep, but it's a drink that will give you the energy you need with 3 espresso shots. Your blood will be replaced by espresso when you're done drinking it!
